Planning a camp can be a difficult task – YWCA YoWoChAs staff provide expertise to ensure a successful camp experience.

Our staff are available to help you plan the details of your trip, help set goals, and build a program that suits your needs.

We provide custom made programs designed to meet the goals of each group.

Our programs can include curriculum based learning (Alberta Education, Girl Guides, etc.).
YWCA YoWoChAs prides itself on offering incredible outdoor adventures that promote respect for self, others and the environment.

- Outdoor Education
- Team Building
- Experiential Education
- Leadership Development
- Environmental Education
- Outdoor Recreation

YWCA YoWoChAs outdoor education centre staff members are included in your fees at a predetermined ratio. They are selected because they demonstrate a genuine interest in helping people grow and develop through outdoor experiences. They are well trained in risk management, safety supervision, first aid, CPR and water safety. They have a professional interest in outdoor education. They can accomplish your learning objectives while everyone has a lot of fun. They have the technical expertise to provide programming in high risk and complex areas. They are available from 7:45 am to 9:00 p.m. each day, and are on call for after hour emergencies.

We offer programs focused on:
